INSTRUCTIONS FOR AUTHORS

The abstracts of the articles will be published in the proceedings of abstracts with an ISBN. Accepted articles will be published in the scientific journal *Economy of Agriculture*. Each active participant will receive a certificate of participation in the international scientific conference.

Articles should be written in Slovak, Czech or English. The title of the article must be short and concise. The title is followed by a 10-line abstract in English and Slovak. Next, there are 4-6 key words in English and Slovak, separated by dashes.

The text of the article must be written in the MS Word editor (.doc; docx). Articles in pdf format will not be accepted. Tables, graphs and other materials (eg images and maps) must be submitted separately from the text. The Word editor must also be used to create tables, i.e. the table must be editable in Word. Charts must be submitted in MS Excel (.xlsx) and must contain original data. Images in JPGE or TIF format must be submitted in high resolution (min. 300 dpi). All graphs and figures must be numbered consecutively in the order in which they are included in the text.

The scope of the text is 10-15 normalized pages, including tables, graphs in the text or annexed tables and graphs.

Literature and bibliographic citations (references to used literature) should correspond to the international standard ISO 690. The list of literature is given after the text at the end of the contribution.

The author is responsible for the originality of the contribution and also for its factual and formal correctness. The author also provides the contact address of her/his workplace, or residence, telephone number, fax, e-mail address and degrees obtained.

The editors of the periodical reserve the right to forward the article to the lecturer's assessment.
